A portion of this Inamdar's land viz. S. F. No. 2-13 was taken up for the Race Course Hospital, but as the owner complained that the remaining portion would be of no use to him, and as the complaint appeared to be well grounded, the Deputy Commissioner decided that the whole Inam land should be taken up by Government and fresh land granted to the Inamdar for the same. A piece of land bearing Survey Assessment of Rupees 7 has accordingly been selected and the assessment value of the Inam land being Rupees 6 the excess viz. one rupee is proposed to be levied from the Inamdar as ordinary Condingent.

The alienation may be sanctioned, but as regards the treatment of the Inam in assessment I beg to submit herewith the correspondence which took place in 1874 in a similar case and, in accordance with the action entered in the Office Note No 3372 of 31 July 1874, beg to suggest that that the Inam (one R) be added to the amount of Land Revenue payable by the Inamdar.
